Did you know?

- Receiving a SANE Exam at a hospital is absolutely free.
- You can legally go to any hospital for a SANE exam. However, MOCSA recommends you go to a SANE Hospital. You can call MOCSA's 24 hour crisis line to find one nearest to you.
- If you go to a hospital in the greater Kansas City area after experiencing sexual assault, a MOCSA advocate will arrive to provide support, bring information about services, and a change of clothing.
